

Lincoln County, Kansas

Resolution 2018- 02

Appointment of a County Engineer by the Board of Lincoln County Commissioners, and description of the organizational structure of the Lincoln County Public Works Administration

Whereas, The Board of Commissioners of Lincoln County wish to appoint an Engineer On-call to act as or perform services statutorily required of a County Engineer.

Now, therefore, be it resolved, by the Board of Lincoln County Commissioners:

Section 1: Kirkham Michael and Associates, Inc., (Kirkham Michael) is appointed the County On-call Engineer of Lincoln County effective immediately. Kirkham Michael shall be appointed County On-call Engineer as an independent consultant, and not as an employee of Lincoln County.

Section 2: Kirkham Michael will perform the duties of County Engineer in accordance with K.S.A. 68-502 as requested by the Board of Lincoln County Commissioners. Mr. Tanner Yost, E.I.T. will be the designated representative of Kirkham Michael specifically assigned to provide professional engineering services to Lincoln County. This designation may change upon mutual agreement between the Board of Lincoln County Commissioners and Kirkham Michael.

Section 3: The Lincoln County Director of Public Works shall perform administrative and supervisory duties for the Lincoln County Public Works Administration at the direction of the Board of Lincoln County Commissioners. Kirkham Michael's role shall be to provide technical guidance on engineering matters.

Section 4: As per K.S.A. 68-501, this appointment shall be subject to the approval by the Secretary of Transportation.

Section 5: This resolution shall become effective upon approval by the Board of Lincoln County Commissioners and Mr. John Riggins.

Adopted by the Board of County Commissioners of Lincoln County, Kansas this 8th day of January, 2018.

John Riggins, P.E.
Vice President
Kirkham Michael and Associates, Inc.
